

Benefits of **PMA**

COMPETENT TECHNICIANS AT YOUR SERVICE

A competent, trained, dependable staff of technicians inspect and diagnose its' performance so you don't have to.

EMERGENCY SERVICE

Should you have a system failure, PMA customers receive priority service 7 days a week.

DISCOUNT

You'll receive a 10% discount on parts, if you need a repair to your system. Discount on over-time rates.

PEACE OF MIND

Automatic, periodic inspection to ensure your equipment's warranty remains valid. Lubricating, adjusting and cleaning of your heating and cooling system keeps it running at peak, trouble-free efficiency. Potential problems are spotted before they cause trouble.

BETTER WARRANTY

All parts installed for PMA customers receive a full two year warranty (excluding compressors).

*Additional charge for specialty filters

WHY PURCHASE A PMA ?

SAVINGS - Your HVAC system is most likely the single biggest user of energy in your home. Up to 50% of energy can be saved with proper sizing, installation and regular maintenance.

CONVENIENCE - PMAs are generally scheduled semi-annually to maintain peak efficiency, prevent high utility bills, and avert system failures. We also offer flexible payment options.

PEACE OF MIND - Regular maintenance of your HVAC system can extend its lifespan and ensure your equipment's warranty remains valid.

TERMS AND CONDITIONS OF PMA

A Preventative Maintenance Agreement (PMA) is an agreement between you and McGee Heating & Air for scheduled inspections and maintenance of your HVAC equipment. PMA is an agreement between McGee HVAC and the homeowner.

PMA rates are guaranteed for one year and payments made are not transferrable.

Entitles homeowner to 2 non-overtime preventative maintenance visits. Agreement is valid for a 12 month period from date of purchase/renewal.

Cancellation Policy: This agreement may be cancelled at any time by either party with a written request. Any refund will be at the sole discretion of McGee HVAC.

Terms and agreement can be changed at any time without notice
